Research Interests

Human-Computer Interaction (HCI), Human-Centered and Explainable AI, Data Visualization, and Accessibility.

Education

University of Massachusetts Amherst

Amherst, MA, USA

PhD in Computer Science

Sep 2021 - Fall 2025 (expected)

- **Thesis:** Towards Responsible & Trustworthy AI Using Human-Centered Evaluation
- **Advisors:** Dr. Cindy Xiong Bearfield, Dr. Yuriy Brun
- **Interests:** HCI, Human-Centered AI, Responsible AI, Data Visualization, Human Perception, Natural Language
- Achieved PhD candidacy with **distinction**

University of Massachusetts Amherst

Amherst, MA, USA

MS in Computer Science, GPA: 3.9

Sep 2021 - Dec 2023

- **Courses:** Advanced Methods in HCI, Introduction to Neural Networks, Making Sense of Visual Information, Research Methods

Work Experience

Adobe Research

College Park, MD, USA

Research Scientist/Engineer Intern

May 2024 - Aug 2024

- **Team:** Document Intelligence Lab
- Designed a novel prototype integrating **Search and Generative AI**; partnered with **3 cross-functional teams** to test 2 early-stage concepts in document-grounded workflows.
- Led a 20+ **participant mixed-methods study**, combining **usability interviews** and **Likert-scale usability ratings**; applied **thematic analysis** to extract qualitative insights and **ANOVA** to uncover statistically significant differences in user preferences across tasks
- Findings informed **key design and prioritization decisions**.

University of Massachusetts Amherst

Amherst, MA, USA

Graduate Research Assistant

Sep 2021 - Present

- Conducted **24 in-depth interviews** with participants across diverse gender identities to explore the impact of bias in **large language models (LLMs)** on trust and decision-making; **developed design guidelines** for fairness and inclusivity in AI systems.
- Analyzed how **visualization design** impacts user trade-offs between fairness and accuracy in ML-assisted decisions; conducted a **survey** with 1500+ participants, applying ANOVA and **logistic regression** to identify gender-based decision patterns.
- Created a visualization design framework for ambiguous natural language comparison queries; derived **design implications** from 12 interviews with visualization experts & non-experts, and validated the framework through a **preference-ranking study** with 70+ participants.

Carnegie Mellon University

Pittsburgh, PA, USA

Visiting Researcher

Jul 2023 - Aug 2023

- Initiated and led a **longitudinal speculative design study** empowering blind participants as designers of assistive technologies; conducted 18 interviews and a **4-week-long remote design study** with 12 participants, providing accessible materials and structured support to facilitate self-directed prototyping and innovation.

Tower Technologies (Pvt.) Ltd

Lahore, Pakistan

UX/UI Designer

Jun 2019 - Mar 2020

- Designed digital platforms for a major education group (Punjab Colleges, Allied Schools) by collaborating with developers, marketers, and end users; created user personas, storyboards, and user flows grounded in research insights.
- Built and tested low- to high-fidelity prototypes through 10+ **usability sessions**, iteratively refining designs and presenting findings to senior leadership to inform product direction and improve user experience.

Skills

Programming	Python (Pandas, NumPy), R, Vega-Lite, C++, JavaScript, D3, HTML/CSS
User Research	Mixed-Methods Research (Qualitative & Quantitative), Study Design, User Interviews, Surveys, Usability Testing, UX Design
Analysis	Statistical Analysis (ANOVA, t-test, Regression), Bootstrapping, Thematic Analysis, Survey Analysis
Tools	Figma, Tableau, R Studio, Adobe InDesign, Adobe Photoshop, Android Studio, Canva, Miro, Keynote

Awards & Honors

Current	Responsible Technology Coalition Leadership Team Member , University of Massachusetts Amherst	Amherst, USA
2024	GHC Scholar (UMass CICS Scholarship) , Grace Hopper Celebration	Philadelphia, USA
2021-23	CSWomen Social Events Coordinator , University of Massachusetts Amherst	Amherst, USA
2023	Tapia Scholar (UMass CICS Scholarship) , ACM Richard Tapia Conference	Dallas, USA
2022	CRA Scholar , CRA-WP for IDEALS	San Diego, USA
2022	Visiting Graduate Student with Jamie Morgenstern , University of Washington	Seattle, USA
2022	Student Volunteer at Undergraduate Research Night , University of Massachusetts Amherst	Amherst, USA
2021	\$10,000 Research Scholarship , Adobe Research	Amherst, USA
2021	\$4,000 CICS PhD Scholarship , University of Massachusetts Amherst	Amherst, USA
